Uniforms with markings other than of the official federation (such as schools, clubs) may be allowed.

Fees

Cadet fencers must register with the FCA to apply for such license through their federation. The competition entry fee is US\$40.00 per person per individual event to be paid to the Organizer.

Points and Ranking

The overall ranking earned shall be computed using the current year's Asian Juniors and Cadets (AJC) plus the best 3 circuit competitions by cadet fencers. Seeding for next year's AJC shall consider the overall Asian cadet ranking of the current season.

All cadet circuit competitions will **now have the same value**, provided there is a minimum of 30 participating fencers from at least 4 countries in Asia/Oceania.

Following multiplication coefficients for ACC points in ranking awarding will be applied according to the number of participant:

1 st Place	= 32 points	8 th Place	= 10 points
2 nd Place	= 26 points	9 th to 16 th Places	= 8 points
3 rd Place	= 20 points	17 th to 32 nd Places	= 4 points
5 th Place	= 16 points	33 rd to 64 th Places	= 2 points
6 th Place	= 14 points	65 th to 128 th Places	= 1 point
7 th Place	= 12 points		

NOTE: Those eliminated from the round of pools will have NO point, but they will be included in the general classification with 0 point.

As this is a scheduled competition, if it has less than the required 30 participants or at least 5 Asian/Oceania countries, it will be allowed to proceed but the points to be awarded will be HALF (50%) of the regular ACC ranking points.

FCA shall be responsible for tabulating the overall Asian cadet ranking based on the points awarded during the competition
